

The KVV apps at a glance.

Smart on the move – in the KVV route network and beyond.

KVV.regiomove: Anything is possible.

Would you rather take the bike or the tram? There is no need to decide. Stay flexible throughout your trip with KVV.regiomove.

KVV.regiomove is your app for digital travel information, planning routes and booking tickets. Whether bus, tram, KVV.nextbike, Voi electric scooter, KVV.MyShuttle or carsharing with stadtmobil and zeo – with KVV.regiomove you can combine different transport services on your journey and simply bundle your payment. The app provides realtime information on the available transportation services. To use the app, simply register for KVV.regiomove and enter a payment method.

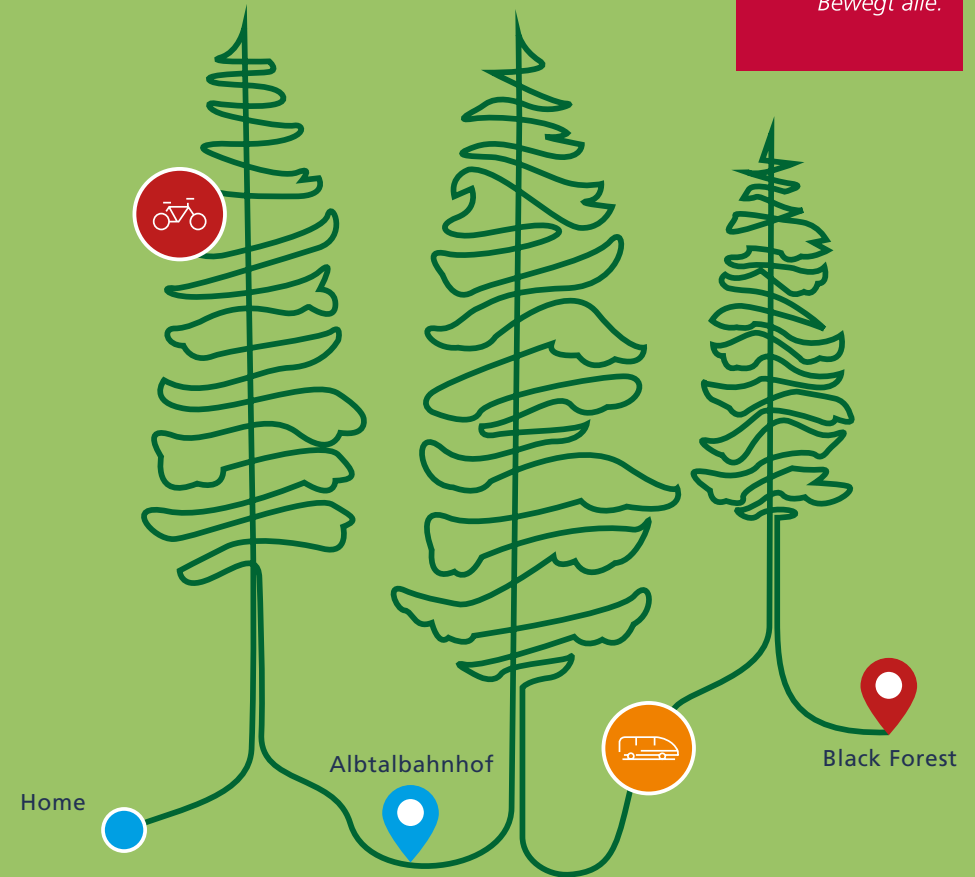

Payment methods: credit card, SEPA direkt debit, PayPal and prepayment

Contact: regiomove-support@kvv.karlsruhe.de

■ BahnCard holders get a discount. Keep your smartphone at hand to show during ticket inspection. Localisation services do not need to be activated during the time of travel. The ticket is not personalised.

Simply download the app, choose your transport service and travel without any limits.

Off into nature?

Many paths lead into the countryside. Decide for yourself, which one you want to follow. In just one app, with just one payment. **regiomove – the best way to your destination.**

Get your backpack and start your tour.
KVV.regiomove

One app – many possibilities.

KVV.nextbike

Select the nearest bike on the live map in KVV.regiomove and start cycling – around the clock, within the city and the region. You can rent up to four bikes with only one account which is perfect for you and your visitors. By the way: with a KVV yearly membership you can also get discounts on the rental fee.

Contact: kundenservice@nextbike.de

Voi

The live map shows you all available e-scooters at a glance. Simply scan the QR code on the scooter, confirm the booking and the scooter will be unlocked. Find a parking space after use in the operating zone and complete the booking in the app.

Contact: regiomove-support@kvv.karlsruhe.de

stadtmobil

Find and select an available stadtmobil on the live map or via the search option in KVV.regiomove, choose a time slot for the rental and simply drive off. Prior registration and presentation of your driver's licence at stadtmobil are requirements for booking.

Contact: info@karlsruhe.stadtmobil.de

zeo Carsharing

Find and select an available zeo electric vehicle on the live map or via the search in KVV.regiomove, book it and get on the road electrically. Prior registration and presentation of your driver's licence at zeo carsharing are requirements for booking.

Contact: regiomove@zeo-carsharing.de

KVV.MyShuttle

KVV.MyShuttle covers many areas without a regular timetable – just when you need it. Enter the starting point and destination, the number of passengers and your choice of tickets. The journey is free with a valid KVV ticket.

Contact: regiomove-support@kvv.karlsruhe.de

KVV.easy: Smart KVV.MyShuttle booking.

Are you travelling in the evenings or at the weekends? Then simply let the KVV.MyShuttle pick you up in one of the many operating areas and take you to your chosen destination.

The electric shuttles drive without a fixed timetable in several areas. You would like to use the KVV shuttle service? Just enter your departure or arrival time at your starting point and destination in KVV.easy, specify the number of passengers and select your requested ride. You can share your shuttle service with up to five people and travel with the KVV fare rate.

Payment methods: credit card, SEPA direct debit and PayPal

Contact: kvv.easy@kvv.karlsruhe.de

- ❗ Owners of a valid ticket for the route are free of charge. All you have to do is state that you have a ticket when you book your trip and show it when you start your journey. Customers without a valid ticket can buy one directly when booking the KVV.MyShuttle in the app. Alternatively, you can book the KVV.MyShuttle in the app KVV.regiomove, over the phone or online.

Simply download the app,
book your shuttle and
enjoy a new way of travelling.

KVV.luftlinie: Check in, check out, FAIRTIQ.

Buying tickets in advance? Specifying your final stop? Not necessary! Travel smart and easy – with KVV.luftlinie.

With the KVV.luftlinie fare, you only pay for the distance you actually travel. Simply check in on the FAIRTIQ app when you start your journey and check out once you have arrived. You can change buses and trams as often as you like. The required payment is displayed in the app right after checking out. This is based on the distance you travel rather than tariff zones.

Payment methods: credit card, SEPA direct debit and PayPal

Contact: mobileticketing@kvv.karlsruhe.de

- ❗ BahnCard holders get a discount. Keep your smartphone at hand to show during ticket inspection. Localisation services need to be activated during the time of travel. The ticket is personalised.

Simply download the app,
check in and start your journey.

KVV.kids: Great fun for children.

Get on board and be part of Pauly's world: for our youngest passengers, the KVV.kids app contains exciting stories about Pauly the tram.

Pauly and his friends travel hundreds of kilometres a day on Karlsruhe's railway system. The Baden tram takes the little ones on their adventures on this free reading app for children. The stories are lovingly told with colourful pictures and short and simple texts with different sound effects so that children can enjoy them to the fullest. The KVV.kids app is suitable for children from the age of 3 – and also ideal for reading aloud.

📱 Pure entertainment, no ticketing.

Simply download the app,
select a story
and start reading.

KVV.info: The app for frequent travellers.

You would like to get the KVV traffic news directly on your mobile phone? Download KVV.info and stay up to date with the latest changes on your route.

With kvv.info, you keep track of all incidents, delays, tight connections or cancellations on your journey. Just save your route in KVV.info and the app will notify you about any changes and offer alternative travel options. You can save up to 20 bus and tram routes and filter the traffic news according to your personal needs. News about other lines and services as well as permanent timetable changes can also be found on KVV.info.

Contact: infoapp@kvv.de

❗ Timetable information only, no ticketing.

Simply download the app,
save routes and
stay informed.

KVV-Shop: Buy tickets online to print at home.

Need to go to a shop to buy your KVV tickets? Not necessary! You can simply do it from home.

To university, work or just to the city – getting a seasonal ticket pays off for regular journeys. You no longer need to go to the KVV customer centre to buy a daily, monthly or student ticket. Instead, you can buy your tickets from the KVV online shop, no matter where you are. Just register once and keep track of all the tickets you purchased. You can also buy your tickets online up to 6 weeks before departure – even for other people.

Payment methods: SEPA direct debit, PayPal

Contact: mobileticketing@kvv.karlsruhe.de

❗ Online-PrintTickets are personalised and only valid in combination with a valid personal ID or passport. The number of zones on your chosen route must be the same as the one on the ticket you bought. If your chosen route exceeds the number of zones on your ticket, you need to buy another one that covers the route to your final destination.

Simply buy your
Online-PrintTicket
and enjoy the flexibility.
